In 2008 the EAAB (Estate Agency Affairs Board) tightened the requirements for entry into the field of Real Estate. This preceded a drop in the South African market following the devastation in the American mortgage market. The recession in South Africa saw approximately two thirds of estate agents who had registered in 2008 leave the sector to re-qualify.

Computer science is the study of processes that interact with data and that can be represented as data in the form of programs. It is the theory, experimentation, and engineering that enables the use of algorithms to manipulate, store, and communicate digital information. A computer scientist studies the theory of computation and the practice of designing software systems.
