Advances in the Management of Pediatric Septic Shock: Old

This evidence-based clinical practice guideline is a revision of the 2004 acute otitis media (AOM) guideline from the American Academy of Pediatrics (AAP) and American Academy of Family Physicians. It provides recommendations to primary care clinicians for the management of children from 6 months through 12 years of age with uncomplicated AOM.

Scientific Research Publishing (SCIRP) is an academic publisher of presumably peer-reviewed open-access electronic journals, conference proceedings, and scientific anthologies of questionable quality. Although it has an address in southern California, in reality it is a "Chinese operation". As of December 2014, it offered 244 English-language open-access journals in the areas of science ...
