Autopsy Report Request Form - New Jersey

The Autopsy report for Soundgarden frontman Chris Cornell from the Wayne County Medical Examiner's Office.

Autopsy Report Chris Cornell | Neck | Autopsy

An autopsy (post-mortem examination, obduction, necropsy, or autopsia cadaverum) is a surgical procedure that consists of a thorough examination of a corpse by dissection to determine the cause and manner of death or to evaluate any disease or injury that may be present for research or educational purposes. (The term "necropsy" is generally reserved for non-human animals; see below).
