The gopher tortoise (*Gopherus polyphemus*) is a species of the *Gopherus* genus native to the southeastern United States. The gopher tortoise is seen as a keystone species because it digs burrows that provide shelter for at least 360 other animal species. They are threatened by predation and habitat destruction.. The gopher tortoise is a representative of the genus *Gopherus*, which contains the ...

1.. Introduction Advances in technology, in all of its many forms, frequently have direct and lasting impacts on tourism. Recently, developments in information and communication technologies (ICTs) have been transforming tourism in myriad ways, with impacts on areas ranging from consumer demand to site management (Buhalis, 2003, Buhalis and Law, 2008).

A toolbox for analysing political texts. Discourse analysis is a useful tool for studying the political meanings that inform written and spoken text. In other posts, I have provided a quick video introduction to the topic, and have discussed the ideas behind discourse theory, the main questions that students and researchers will likely ask as they set up their discourse analysis project, and ...
