Human Rights

Human rights in India is an issue complicated by the country's large size & population, widespread poverty, lack of proper education & its diverse culture, even though being the world's largest sovereign, secular, democratic republic. The Constitution of India provides for Fundamental rights, which include freedom of religion. Clauses also provide for freedom of speech, as well as separation of ...

Human rights in India - Wikipedia

An Indian reservation is a legal designation for an area of land managed by a federally recognized Native American tribe under the U.S. Bureau of Indian Affairs rather than the state governments of the United States in which they are physically located. Each of the 326 Indian reservations in the United States is associated with a particular Native American nation.

Indian reservation - Wikipedia
