Profanity in Mandarin Chinese most commonly involves sexual references and scorn of the object's ancestors, especially their mother. Other Mandarin insults accuse people of not being human. Compared to English, scatological and blasphemous references are less often used. In this article, unless otherwise noted, the Traditional character will follow its Simplified form if it is different.

A costermonger was a street seller of fruit and vegetables. The term, which derived from the words costard (a type of apple) and monger, i.e. "seller", came to be particularly associated with the "barrow boys" of London who would sell their produce from a wheelbarrow or wheeled market stall. Costermongers have existed in London since at least the 16th century, when they were mentioned by ...

As I suspected would happen, we got no rain with them calling for a 70% chanceâ€”just a lot of dirt everywhere because it is so dry. At one point last night I heard something hitting against my bedroom window and thought it was hail.. after my husband investigated, it was very small gravel that is on the ground outside that window, blowing up and hitting against the window.

Intelligence To be intelligent you first have to know what being Intelligent is. And you also have to know what being ignorant is. Ignorant is just another word for "Not knowing".But not knowing is not always obvious or clearly understood.That's because learning is not fully understood. The more you learn the more you should realize what you didn't know.
