Genie (born 1957) is the pseudonym of an American feral child who was a victim of severe abuse, neglect, and social isolation. Her circumstances are prominently recorded in the annals of linguistics and abnormal child psychology. When she was a baby, her father concluded that she had a severe intellectual disability, a view which intensified as she got older, causing him to dislike her and ...

The Amish do not educate their children past the eighth grade, believing that the basic knowledge offered up to that point is sufficient to prepare one for the Amish lifestyle. Almost no Amish go to high school, much less to college. In many communities, the Amish operate their own schools, which are typically one-room schoolhouses with teachers (young unmarried women) from the Amish community.
