

### **rush chemistry the definitive pdf**

People know I love Rush, and that love is the only thing that keeps me reading this piece of trash. The writing is atrocious. Chemistry reads like a half-assed researched college paper in which words are strung together more or less coherently to cover the lack of any real understanding of the subject.

I was a bit put off by the "Idiot's Guide to Rush" layout of this book, and found the bang-boxes littered throughout to be a bit annoying. Likewise, the use of Rush's lyrics in the narrative was a bit cheesy. All in all, the tone of this book is very much like "Visions," albeit more up-to-date and a bit more detailed.
