

saudi customs and etiquette pdf

The code of etiquette in Japan governs the expectations of social behavior in the country and is considered very important. Like many social cultures, etiquette varies greatly depending on one's status relative to the person in question. Many books instruct readers on its minutiae. Some conventions may be very regional practices, and thus may not exist in all regions of Japan.

The religion and customs of Saudi Arabia dictate not only conservative dress for men and women, but a uniformity of dress unique to most of the Middle East. Traditionally, the different regions of Saudi have had different dress, but since the re-establishment of Saudi rule these have been reserved for festive occasions, and "altered if not entirely displaced" by the dress of the homeland of ...
