Sexism is prejudice or discrimination based on a person's sex or gender. Sexism can affect anyone, but it primarily affects women and girls. It has been linked to stereotypes and gender roles, and may include the belief that one sex or gender is intrinsically superior to another. Extreme sexism may foster sexual harassment, rape, and other forms of sexual violence.

Sexism - Wikipedia

Click Here for Legislative or other important State Changes. US State Pages . This US Map uses internal hot-links to the state Information for each of the states in the United States and its possessions. Simply click on the states abbreviation on the map to view that state's information page in a new browser window. To view the All U.S. Page, click on U.S.A. at the bottom of the map to the left.
