TANTRA: The Secret Power of Sex by Arvind & Shanta Kale [pp. 116 - 143] Physical merging, at best, is never more than a mere embracing, with a very limited interpenetration. Mental involvement, however, knows no barrier. In its final form it becomes a total commitment, a complete identification of one personality with another.

Sex is a natural part of life, but so is fire. We must handle both fire and sex with respect and caution. We must know what we're doing or we can get burned. When it comes to sex, it's important that you always do only what you are truly comfortable with. It's okay to say NO to any sex act at any time - and you don't
