Foot binding was the custom of applying tight binding to the feet of young girls to modify the shape and size of their feet. It was practiced in China from the Tang dynasty until the early 20th century, and bound feet were considered a status symbol as well as a mark of beauty. Foot binding limited the mobility of women, and resulted in lifelong disabilities for most of its subjects, although ...

Depictions of nudity include visual representations of nudity through the history, in all the disciplines, including the arts and sciences. Nudity is restricted in most societies, but some depiction of nudity may serve a recognized social function. Clothing also serves as a significant part of interpersonal communication, and the lack of clothing needs to have a social context.
